Your Oklahoma Public Library Has a New Tool to Assist Veterans with Benefits and Services

Brainfuse—an on-demand, web-based, online learning platform—is now available to all Oklahomans through their local public library thanks to a statewide contract purchased by the Oklahoma Department of Libraries.

Brainfuse VetNow helps veterans and their families understand and apply for benefits from local, state, and federal programs. Live online navigators are available from 1 to 11 PM each day to help veterans connect with valuable services. Through live online assistance, veterans can get the help they need transitioning from military to civilian careers throughout all stages of the job process. Plus, **Brainfuse** helps veterans and their families prepare for college through a full suite of academic tools.

Also available from your Oklahoma public library

Brainfuse HelpNow is an all-in-one suite of tutoring services designed for a wide range of academic needs—from elementary school subjects to college level assignments. HelpNow services include live tutoring, available from 1 to 11 PM. Self-study tools are available on-demand 24/7.

Brainfuse JobNow is a versatile online service designed to support every step of the job search process. Live online coaching is available from 1 PM to 11 PM, to assist with resume and cover letter preparation, and to help prepare for job interviews.

Oklahoma's Statewide Contract for Brainfuse is made possible with funding from the American Rescue Plan Act and the Library Services and Technology Act as administered by the Institute of Museum and Library Services.
