When we stamp the due date, it will be freshly inked.

For each item you are the first to check out, we will use a special hole punch on your bookmark.

Get 10 holes punched, get a prize.

Open to all ages.

Now available...

Kanopy streaming service.

Using your library card, set up your account on your TV, tablet, or phone, or from the library's web-site on your computer.

Our monthly take & make craft bags will be set out at the beginning of the month. We will have designated bags for both preschool and elementary ages. Don't wait – they go fast!

We will be distributing reading logs on June 1. The prizes can be collected as follows:

Adults

1 prize per 3 books read in reading level

Teens

1 prize per 240 minutes read in reading level

Youth/Children

1 prize per 5 books read in reading level

Reading creates a chain reaction!

For every book checked out per age group, we will make a paper chain. The more books checked out, the more links in the chain. Let's see how long it can be!
